SITUATION SUMMARY

2017 Statewide Winter Storms

Cal OES Coastal Region

Paul's Slide, State Route 1, Monterey County

Per Cal OES Coastal Duty Officer (CDO), as of 1300 hours on 05/25/17, Paul's Slide on State Route 1 has been closed to all traffic.

- Caltrans engineers report slide activity and the area has been closed in the interest of public safety.
- Assessment will commence and further details will be provided once released.
- State Route 1 opened briefly on 06/02/17 for locals and delivery access. Full closure resumed the evening of 06/02/17 through Tuesday 06/06/17 in the evening.

Mud Creek Slide, State Route 1, Monterey County

The Mud Creek area on State Route 1 sustained a major slide on the evening of 05/20/17, when over a million tons of rock and dirt fell down the slope continuing down to the ocean floor 250 feet off the shoreline.

- The Mud Creek area is ¼ mile in length, made up of five slides, four of which fell during this single incident and consolidated into one slide. The remaining slide now extends 1,500 feet in length over State Route 1 and is about 35 to 40 feet deep.
- Roadwork at Mud Creek was suspended and heavy equipment removed last week due to the threat of new slides and for safety of highway workers. Caltrans geologists and engineers plan to assess it further when this area stabilizes.
- There is no estimate when this section of State Route 1, approximately nine miles north of the San Luis Obispo/Monterey County line will re-open.

Pfeiffer Bridge Incident, Monterey County

California Highway Patrol (CHP) and Caltrans had a hard closure on the Pfeiffer Bridge on HWY 1 at mile marker 45.52 (SB Sycamore Canyon and the Bridge) due to a crack in the bridge. The bridge has been demolished so the road is closed and estimates for some access from the north is late September 2017.

- Backup air medical transport plans have been developed for medical emergencies through Cal OES Law Enforcement Branch.
- All businesses north of the Pfeiffer Canyon Bridge closure are open to the public.
- Caltrans will continue the process of delivering construction materials and equipment to the site of the demolished bridge on HWY 1 via Nacimiento-Fergusson Road from Hwy 101 on Thursday, 06/15/17.
- Some equipment will begin moving out one piece at a time throughout the week. These convoys of equipment will be escorted by CHP.

WEATHER SYNOPSIS BY REGION

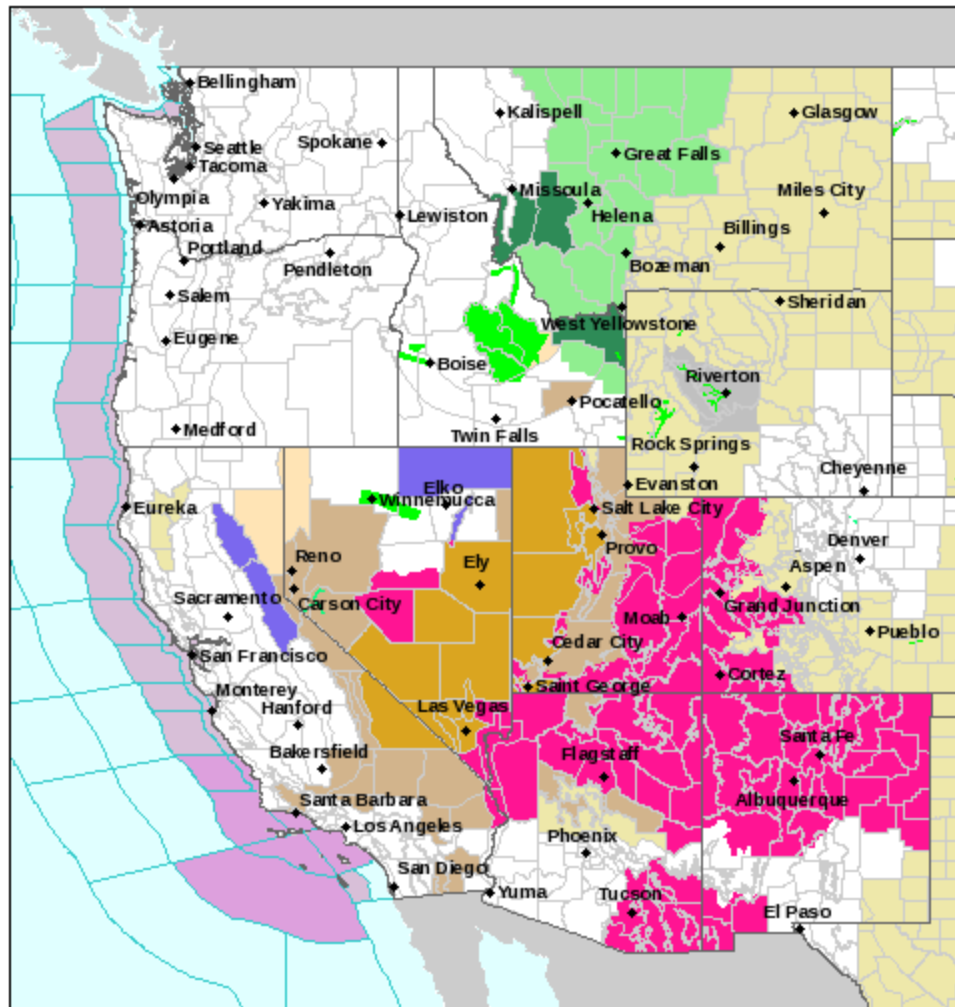

NORTHERN CALIFORNIA

An upper level low pressure system dropping out of the northeast Pacific will bring a mixed bag of weather this weekend. As the low moves into Northern California on Sunday, most locations will see a few showers and a slight chance of thunderstorms. Lingering showers and cooler than normal temperatures will continue through the weekend over the North Coast. Chilly mornings through Monday for interior locations. Snow level lowering to around 4000 to 5000 feet Saturday night. Slight chance of thunderstorms over eastern Mendocino County and Trinity County Sunday afternoon and evening. Dry and warmer weather return to Northern California starting early next week.

SOUTHERN CALIFORNIA

Persistent onshore flow and a deepening trough over the West, will thicken the marine layer and bring periods of drizzle west of the mountains this weekend. Unseasonably cool on Sunday from the mountains, west across the inland valleys under persistent cloud cover. Mostly clear and windy across the deserts with a reprieve from the intense heat through Monday. After Monday, building high pressure aloft will bring warming each day this coming week as the marine layer shrinks back to the coast, and seasonably hot conditions return to the deserts and far inland valleys.

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Missions

- **2017-LAW-36349, 6/10/17, 0100 hours**, Air Force Rescue Coordination Center (AFRCC) reported an ALNOT for a missing/overdue aircraft, a Beech, six seater. It is believed only the pilot was aboard. The aircraft was seen departing Del Mar Farms Airport in Stanislaus County around 1400 hours enroute to Columbia airport in Tuolumne County. There was a delay in the reporting as the pilot did not file a flight plan. Ramp checks were completed at both airports with negative results. The pilot had personal vehicles at each airport and they were located during the ramp checks. AFRCC activated Civil Air Patrol (CAP) (National Team) and start Cell & Radar Forensics. They will also call California Wing of CAP and assign an Incident Commander. **Update: 0135 hours**, AFRCC looking for air assets to fly mission. **Update: 0230 hours**, AFRCC provided the radar forensics report which shows the aircraft's last known position (LKP) as North of the Town of Fort Jones, JNO Swiss Ranch Rd., in Calaveras County approx. 18.5 miles North of the destination airport. It revealed a sudden and sharp decrease in altitude and airspeed. **Update: 0251 hours**, LDO briefed Calaveras County SO and shared the radar forensics report. They are putting together a ground team for first light. **Update: 0436 hours**, Spoke with California Wing CAP IC who advised they have an aircraft departing soon and will try to locate an ELT signal. The IC is going to brief Calaveras SO on their activity. **Update: 0817 hours**, CAP's first aircraft has completed it's search and a second is now over the search area. Calaveras SO SAR is putting a ground team together. CHP is also assisting. **Mission Ongoing.**
- ****Mission Reopened**2017-LAW-36195, 6/5/2107 at 1501 hours**, Plumas County Sheriffs' Office (PCSO) requested an Area Search K9 to assist in locating a adult female, missing person. Defined search area is along the Feather River where her vehicle was located. **Update: 2231 hours**, PCSO made an additional request for both Area & Trailing K9s to continue the search effort. LDO coordinated with the CAL OES K9 Coordinator and secured these resources. **Update: 6/7/17 at 0800 hours**, per PCSO, MP has not been located and has suspended search efforts. **Mission Suspended. Update: 6/9/17, 2107 hours**, Plumas County Sheriff requesting an Area K9 Team. Plumas is continuing search efforts with their dive team and requesting an area K9 team for additional searching if their dive team is unable to locate the MP. Cal OES K9 Coordinator advised. **Mission Reopened.**

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions (continued)

- **2017-LAW-36305, 6/08/17, 2305 hours**, The El Dorado County Sheriff's Office (EDSO) and the US Coast Guard (USCG) Station Lake Tahoe are working a joint search and rescue (SAR) for a missing Vietnamese male in his 40's who disappeared while kayaking earlier Thursday. The USCG, who is handling the air support side, made a request for an HH-60 out of NAS through the Air Force Rescue Coordination Center (AFRCC), which was approved. The Fallon airship will supplement a fixed wing out of USCG Sacramento and a local CHP helo. EDSO continues searching with ground and marine teams. **Update: 6/9/17, 1500 hours**, EDSO advised weather conditions have deteriorated; air and marine assets have been recalled due to unsafe search conditions. Mission suspended until weather conditions improve. **Mission Ongoing.**
- **2017-LAW-36259, 06/07/17, 1715 hours**, The Los Angeles County Sheriff's Department (LASD) is requesting resources to assist in locating a five year old male from South Pasadena who has been missing since 04/22/17. The search will take place in the Lake Cachuma area, in Santa Barbara County. Santa Barbara County Sheriff's Department has been notified and is also assisting with the search. LASD is requesting (10) cadaver search dog teams. **Update: 06/08/17, 1800 hours**, The Santa Clara County Sheriff's Office and the Los Angeles County Coroner are responding with search dog teams. The search is scheduled for Saturday, 6/10/17, at 0600 hours **Update: 06/10/17, 0230 hours**, The Cal OES Law Enforcement Branch Region I & IA Law Enforcement Coordinator responded to the Incident Command Post. The morning roll call yielded in excess of 200 searchers from LA and Santa Barbara Counties. **Mission Ongoing.**
